General Information

THE JOURNAL OF GERONTOLOGY is a quarterly magazine owned and controlled by the Gerontological Society, Inc. It publishes original manuscripts dealing with or bearing on the problems of aging from the fields of natural and social sciences and the humanities, review articles, and selected abstracts from current literature appropriate to the subject. Preference will be given to manuscripts containing observational data.

The Gerontological Society, Inc. and the Editor accept no responsibility for the views and statements of the authors as published in their original communications.

INSTRUCTIONS TO CONTRIBUTORS

1. Manuscripts should be addressed to the editorial offices, 507 South Euclid, St. Louis 10, Missouri.
2. Papers should rarely exceed twenty printed pages in length, including illustrations. They must be typewritten, double spaced, on standard-size white paper 8½" x 11".
3. A condensed title for running page headline, not to exceed forty letters and spaces should be supplied.
4. A brief biographic sketch should accompany all papers.
5. Tables are costly to print and should be used only when necessary to clarity. In such cases they should be as condensed as possible and typed on a separate sheet. Tabular matter in excess of 10 per cent of the cost of composition is to be at the expense of the author.
6. Typed legends including the author's name should be clipped to each illustration. Each plate must be arranged by the author. Authors will be expected to pay any engraving charge in excess of $25. If illustrations are larger than manuscript sheet size, small prints, as well as the original drawings, should be submitted with the manuscript to facilitate mailing to reviewers. The reduction of figures desired should be clearly indicated on the margin of the drawing.
7. Footnotes are not desirable.
8. Every paper should end with a brief summary in which the points established by the investigation are outlined.
9. References to periodical literature must be arranged alphabetically and given in order: name of author, title of article, name of periodical (abbreviated as in Fishbein, *Medical Writing*), volume number, inclusive pagination, and year. For books: name of author, title of book, publisher, city, and year.
10. Articles submitted in a foreign language, if accepted, will be translated by the Journal free of charge.
11. Submission of a paper to this Journal is held to imply that it is not to be published elsewhere without permission from the JOURNAL OF GERONTOLOGY.
